G.O.No.4594, Home, dated 17.10.1941

From the Inspector General of Prisons No.779/J.R.C/53
dated 27.1.1953

Order:-

The Government have considered the recommendation of the Jail Reforms Committee, Madras, 1950-51, regarding the appointment of retired officers of gazetted rank and members of the Guild of Service, the Red Cross Society and similar Social Service organisations as non-official visitors to jails in the State and agree that it is important that suitable persons from among retired officials of gazetted rank and members of such social service organisations should be represented on the Board of Visitors to the jails and consider that they should not be debarred from being appointed as non official visitors to Jails on the ground that they are not members of the Discharged Prisoner's Aid Society. The Commissioner of Police, Madras and the Collectors concerned are accordingly requested to see that suitable persons from retired officials of gazetted rank and members of social service organisations as referred to above who are willing to render service as Jail Visitors are, also considered for appointment as non-official visitors though they ~~not~~ may not be members of the Discharged Prisoners' Aid Society.

2. The Jail Reforms Committee, Madras 1950-51 has also recommended that if non-official visitors fail to make visits on two occasions according to the weekly roster prepared by the Commissioner of Police or the Collector concerned as the case may be they should be replaced by others. The Government consider that the object could be achieved by strictly enforcing the standing instructions in rule 22 of the Madras Prisons & Reformatory Manual, Volume II. The Commissioner of Police, Madras and the Collectors concerned are requested to enforce strictly the provisions of this rule wherever necessary to implement the recommendation of the Committee.
